Leaders who practice the 15 commitments:• End blame and criticism• Speak candidly, openly and honestly, in a way that invites others to do the same• Find their unique genius• Let go of taking everything—especially themselves and their problems—so seriously• Create win for all solutions• Experience a new relationship to time and money where there is always enoughWhat do you need to bring to the table?Be curious.Sounds so simple, and yet in our experience it's a skill few have ...

~~The 15 Commitments of Conscious Leadership: A New Paradigm ...~~

These fifteen commitments are a distillation of decades of work with CEOs and other leaders. They are radical or provocative for many. They have been game changers for us and for our clients. We trust that they will be for you too. Our experience is that unconscious leadership is not sustainable.

~~The 15 Commitments of Conscious Leadership: A New Paradigm ...~~

The conscious leader always strives to be above the line, using the 15 commitments as a guide. Being above the line is a leader who is open, committed to learning and curious. Each of the 15 commitments reflects this in a different way. For example, commitment four is speaking candidly.
