1974 C3 Corvette 1974 Corvette Overview. The arrival of the 1974 Chevy Corvette occurred during an abysmal period in automotive history. The period in question actually began in October, 1973 when OAPEC, (the Arab members of OPEC (the Organization of Petroleum Exporting Countries) plus Egypt, Syria, and Tunisia) proclaimed an oil embargo against the United States after the United States came ...

The owner states that this is a numbers-matching car, although the engine has received a few chrome embellishments at some point. Regardless, it is said to run and drive very nicely. Once again, it would appear as though this is another aspect of the Corvette that needs little, and further reinforces the fact that this is a classic that is ready to be driven and enjoyed.
