These pacing guides are to serve as a guide to what you student is learning in the classroom at any point throughout the year. The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math. Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new pacing guides to Common Core.

From the New York Times bestselling creators of Click, Clack, Moo, comes an entertaining introduction to politics. My fellow Americans: It is our pleasure, our honor, our duty as citizens to present to you Duck for President. Here is a duck who began in a humble pond. Who worked his way to farmer. To governor. And now, perhaps, to the highest office in the land. Some say, if he walks like a duck and talks like a duck, he is a duck. We say, if he walks like a duck and talks like a duck, he will be the next president of the United States of America. Thank you for your vote.

Provide your 4th graders with rigorous reading comprehension practice! Close reading, vocabulary, comprehension, and writing activities support Common Core learning paths. Plus, downloadable home-school connection activities extend learning at home.

Jane David and Larry Cuban examine 20 different school reforms, the pros and cons of each, and what it takes to make the reforms-including smaller classes, mayoral control of schools, and standards-based change-successful.

Amazing Snakes! is the fifth title in an award – winning series of I Can Read Books that features photographs from the Wildlife Conservation Society (WCS), one of the world's most esteemed wildlife conservation organizations. The exceptional writing and design of the I Can Read Books – paired with WCS's global research and conservation efforts, educational programs, and stunning color photographs – make this a standout series for children, caregivers, and teachers!

In Writers Are Readers, the mutually supportive roles of reading and writing are made visible through the idea of "flipsides;" how a reader's insights can be turned around to provide insights into his own writing, and vice versa. Lester and Reba's trademark engaging style is woven throughout chapters full of sample lessons, student writing samples, and recommended texts for maximizing the flipped concept across the year. "Leading the student to understand what he did as a reader can become a lens that brings into focus what the writer had to do before a reader ever saw the page," they write. Discover fresh new ways to turn reading strategies into writing opportunities that your students will be excited about and deeply understand.
