NIGHT Community Jul 12, 2016

Sabaa Tahir's *An Ember in the Ashes* was one of our favorite books of last year, and we've all been waiting for the sequel with what could only be described as anticipation as fiery as a thousand burning suns.

Read Chapter One of Sabaa Tahir's A TORCH AGAINST THE NIGHT

Set in a rich, high-fantasy world inspired by ancient Rome, Sabaa Tahir's *AN EMBER IN THE ASHES* told the story of Laia, a slave fighting for her family, and Elias, a young soldier fighting for his freedom. Now, in *A TORCH AGAINST THE NIGHT*, Elias and

ebook*

A Torch Against the Night,
the follow up to Sabaa
Tahir's YA epic fantasy An
Ember in the Ashes,
certainly puts its readers
through the emotional
wringer. Tahir's world is
one whose ordinary
inhabitants suffer under the
constant oppression of an
occupying force: the
military and rulers (the two
are in many ways one and the
same) of the Martial Empire.
