'Football. Bloody hell.' The longest serving and most successful manager in British football history shocked the world by finally retiring in May 2013 and instantly created more column inches and twitter mentions that the death of Margaret Thatcher. And he wasn't just the greatest, but also one of the most outspoken, engaging and witty voices from the game, as this book proves. Here is the history of his supreme verbal sparring during his years at Manchester United - the man in his own words (with a few additional thoughts from those who knew him best and crossed swords with him most). 'There's nothing wrong with losing your temper once in a while if it's for the right reasons' 'If he was an inch taller he'd be the best centre-half in Britain. His father is 6ft 2in - I'd check the milkman' On Gary Neville 'He could start a row in an empty house' On Denis Wise 'The list of gentle, naturally retiring men who have been successful in their attempts at running clubs isn't a long one, is it?'

Alex Ferguson, once king of Scottish football, gave up the easy life in Aberdeen to follow in the famous footsteps of Sir Matt Busby. Others had flickered and then faded in the shadow cast by the legendary Busby but Ferguson couldn't resist the call. 'Football is a strange obsession. Winning is a drug and when I got the invitation to manage Manchester United I simply could not resist,' he says. For nearly six years he has chased the end of the rainbow and spent millions of pounds to bring the coveted championship to Old Trafford for the first time in 25 years. Now he feels it is time to tell the inside story of the best-supported club in Britain and his struggle to fulfil the title dream of thousands of supporters. He found the famous club in disarray and he admits he came close to the sack himself. 'No manager is prepared for the job at Old Trafford. The legend is huge. It's different from any other club with its traditions and expectations. It took me three or four years to understand the particular politics and demands. Only through success can a manager get control of his destiny.' Ferguson fought his battles and won the trophies which slowly but surely see him now established as a manager who has laid the old ghosts to rest and created a new vision. Winning the FA cup in 1990 bought him valuable time, and success in the European Cup-Winners' Cup, beating Barcelona in a memorable final in Rotterdam, gave him the right platform for the most convincing championship challenge since the days of Busby. After seven years at Aberdeen, Ferguson wrote A Light in the North, an account of how he broke the Glasgow stranglehold on Scottish football. Now comes the sequel of how he conquered English football at the helm of their greatest club.

SHORTLISTED FOR THE BRITISH SPORTS BOOK AWARDS Sir Alex Ferguson is the most controversial and compelling figure in football. For many he ranks as the greatest manager of all time. He is certainly the most successful. It's been more than ten years since Ferguson's Manchester United triumphed over Bayern Munich in the dying seconds of the Champions League final. Since then he has presided over the rise and fall and rise again of José Mourinho; the arrival and departure of the world's best player, Ronaldo; the removal of one English talisman - Beckham - and the irresistible instalment of another - Rooney. Ferguson has been instrumental in making the Premier League the most successful competition in football, and he has endured while the mountains of cash have turned to valleys of debt. Throughout, award-winning journalist Patrick Barclay has been pitch-side and spoken to all those who know Ferguson best - fellow managers, former players, colleagues and commentators. The result is Football - Bloody Hell!: the definitive work on the game's greatest living legend.

No player has been more synonymous with the glory years of Manchester United Football Club over the past two decades than right-back Gary Neville. An Old Trafford regular since he attended his first match at the age of six, captain of the brilliant 1992 FA Youth Cup-winning team that became known as Fergie's Fledglings', outspoken representative of MUFC, Neville is the ultimate one-club man. He has been at the heart of it all and, at the end of an amazing career, is now ready to tell it all. Authoritative, insightful, fearless and never less than 100% honest, no-one has better credentials for documenting the story of United under Sir Alex Ferguson. Neville reveals the behind-the-scenes secrets of his early days with the likes of Giggs, Scholes and his best mate David Beckham; what it was like to play with Cantona, Keane and Ronaldo; the Treble in 1999; and of course an entire career of playing for the greatest manager in the game. Then there are all his experiences with England, from being the youngest starter at Euro 96 when football came home, to the ups and downs of five major championships and seven managers - Venables, Hoddle, Wilkinson, Keegan, Eriksson, McClaren and Capello. There are opinions and analysis on Gazza, Rooney, WAGs and the true story of the FA and Rio Ferdinand. For twenty glorious years, Gary Neville has worn his heart on his sleeve. This is his story.
