All Men of Genius by Lev Rosen Audio version performed by Emily Gray 4 stars Steampunk is a new genre for me, but I am reasonably familiar with Shakespeare's Twelfth Night and with Wilde's The Importance of Being Ernest. Lev Rosen's lighthearted romp into an alternative Victorian England makes liberal use of character names and plot devices of these two great works.

~~All Men of Genius by Lev AC Rosen | LibraryThing~~

A genius is a person who displays exceptional intellectual ability, creative productivity, universality in genres or originality, typically to a degree that is associated with the achievement of new advances in a domain of knowledge. Despite the presence of scholars in many subjects throughout history, many geniuses have shown high achievements in only a single kind of activity.
