AMERICAN GODS, 1.8 – 'Come to Jesus'. by Simon Cocks. If there's one consistent theme in *American Gods*, it's belief. The show is all about how faith in the Old Gods or the New Gods sustains people and gives them power. If you put your total confidence in the idea that these supernatural beings can control the world, then they can... but, without that belief, they become desperate and struggle, like Czernobog or Bilquis (Yetide Badaki) before she joined forces with the Technical Boy ...

Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

The storm was coming.... Shadow spent three years in prison, keeping his head down, doing his time. All he wanted was to get back to the loving arms of his wife and to stay out of trouble for the rest of his life. But days before his scheduled release, he

learns that his wife has been killed in an accident, and his world becomes a colder place. On the plane ride home to the funeral, Shadow meets a grizzled man who calls himself Mr. Wednesday. A self-styled grifter and rogue, Wednesday offers Shadow a job. And Shadow, a man with nothing to lose, accepts. But working for the enigmatic Wednesday is not without its price, and Shadow soon learns that his role in Wednesday's schemes will be far more dangerous than he ever could have imagined. Entangled in a world of secrets, he embarks on a wild road trip and encounters, among others, the murderous Czernobog, the impish Mr. Nancy, and the beautiful Easter -- all of whom seem to know more about Shadow than he himself does. Shadow will learn that the past does not die, that everyone, including his late wife, had secrets, and that the stakes are higher than anyone could have imagined. All around them a storm of epic proportions threatens to break. Soon Shadow and Wednesday will be swept up into a conflict as old as humanity itself. For beneath the placid surface of everyday life a war is being fought -- and the prize is the very soul of America. As unsettling as it is exhilarating, *American Gods* is a dark and kaleidoscopic journey deep into myth and across an America at once eerily familiar and utterly alien. Magnificently told, this work of literary magic will haunt the reader far beyond the final page.

Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

For use in schools and libraries only. Just released from prison, Shadow encounters Mr. Wednesday, an enigmatic stranger who seems to know a lot about him, and when Mr. Wednesday offers him a job as his bodyguard, Shadow accepts and is plunged into a dark and perilous world.

"Collects the entire *American Gods* comics series by Dark Horse comics in an oversized hardcover"--
