navigate the maze that is American healthcare and also to demand far-reaching reform. An American Sickness is the frontline defense against a healthcare system that no longer has our well-being at heart.

An American Sickness: How Healthcare Became Big Business ...

An American Sickness is a gripping, fast paced and revolting dive from 50,000 feet above into the morass of what passes for healthcare in the USA. Patients are barely tolerated in a system optimized to pass money from bank accounts to providers. The industry is mean, nasty and greedy, with worse results than comparable nations - for far more cost.
