vacation properties. However, with slight modifications, these same sales principles can be applied just as effectively for selling any product, especially big-ticket items.

The keystone of Gay's world-famous series of books, first published in 1980, is a complete reference on closing sales and a guide to new sales presentations in today's marketplace. Not a beginner's manual or self-help book, this classic is designed to help master closers brush up and study total closing procedures.

Customer service comes from the heart and so does spirituality. Therefore, spirituality and customer service have a symbiotic relationship to give a wow customer experience. For the overall health and survival of a business, the

professional self and the society of today and tomorrow, it is essential to integrate spirituality and customer service within a business. The frontline staff needs to go beyond rehearsed responses to customers to get the cutting edge over competition. To do this, individuals are required to know their potential and power intrinsically. This can be done by identifying the role of spirituality in everyday living and then bring it to customer service. This book brings a new approach to business relationships, with present and future customers, taking customer service beyond excellence by integrating it with spirituality. Anchal calls this approach Beyond Frontline Excellence.

Enjoy four of Shakespeare ' s tragedies told with LEGO bricks. Here are Hamlet, Macbeth, Romeo and Juliet, and Julius Caesar enacted scene by scene, captioned by excerpts from the plays. Flip through one thousand color photographs as you enjoy Shakespeare ' s iconic poetry and marvel at what can be done with the world ' s most popular children ' s toy. Watch the brick Hamlet give his famous " To be or not to be " soliloquy, and feel brick Ophelia ' s grief as she meets her watery end. Lady Macbeth in brick form brings new terror to " Out, out, damn spot! " and brick Romeo and Juliet are no less star-crossed for being rectangular and plastic. The warm familiarity of bricks

lends levity to Shakespeare ' s tragedies while remaining true to his original language. The ideal book for Shakespeare enthusiasts, as well as a fun way to introduce children to Shakespeare ' s masterpieces, this book employs Shakespeare ' s original, characteristic language in abridged form. Though the language stays true to its origins, the unique format of these well-known tragedies will give readers a new way to enjoy one of the most popular playwrights in history.
