over. Despite the apparent ubiquity of CSR, the corporate laws of many countries remain relatively silent on the issue, omitting to include any explicit provision governing the concept. Partly in response to this lack of legislation, Korean corporate scholars, for example, have attempted to introduce

# Download Ebook Articles

American legal theories, systems and laws on CSR into Korea. Yet traditional Korean jurisprudence provides no defining foundation for CSR; indeed, the prevailing view in jurisprudence and scholarship passively resists instituting corporate responsibility into the law. In response to this jurisprudential

analysis of their achievements, their progress and their potential. Why did these coalitions start and grow? What have been their impacts? Where are they heading now? Where should they be going? What is the future? In a period of austerity, the business and public sector must decide whether funding

# Download Ebook Articles

these coalitions is a priority. To meet current crises, there will have to be a great deal more business involvement; but efforts of individual corporations will not be sufficient. There is also a need for far more collective action among companies and more collaborative action between different sectors of society.

Download
