Go prepared and don't get stuck with a lemon. Take Motormouth along for the ride.

Learn about the history of Times Square in New York with iMinds Travel's insightful fast knowledge series. Times Square stands proudly in the centre of New York City. Broadway meets Seventh Avenue in a place where tourists meet and fall in love with New York. The bright lights and billboards that seem to stretch on forever are just part of what makes Times Square so famous and so attractive. It is also the centre of New York's famous Broadway theatre district and is the place where millions of people come together to bring in the New Year. Times Square makes up most of the western midtown Manhattan area. In the 1800s the area was known as Longacre Square. It housed horse exchanges and stables, carriage factories, blacksmith's shops and upscale brothels. In 1904, The New York Times moved in and established one of the tallest buildings in the city. The newspaper convinced the city to create a subway stop there and to rename the area 'Times Square'. When the new building was opened on 31 December 1904, the newspaper celebrated by holding a public New Year's Eve celebration in the square, complete with fireworks. This tradition is still carried on today. So the New York Times had a significant part in the making of Times Square. Yet it was another publication that brought the drama to the square. iMinds will tell you the story behind the place with its innovative travel series, transporting the armchair traveller or getting you in the mood for discover on route to your destination. iMinds brings targeted

knowledge to your eReading device with short information segments to whet your mental appetite and broaden your mind.

The witchfinder stood on the edge of the square at some distance from the burning stake, savouring his moment of triumph. He saw those witches fly. Did the crowds notice? No! Elspeth, her beauty melting before their eyes as if she were a fragrant candle, charmed them. But Matthew saw. He knew Elspeth survived. Wherever she is, he will find her. He will hunt her down, and one will die. Their soul cast down. It is his solemn vow. He will not suffer a witch to live. She rose with the hot swirling smoke, and tumbled through the centuries, from the clear cool air. All Hallows' Eve looms. A special day when the veil lifts and Elspeth has organised a party . . . A bewitchingly dark fairy tale set in the seventeenth and twenty-first centuries, Somerset.

- Covers the complete history of Audi from 1899-2009, in fascinating text and 1,000 illustrations From the very start, the four interlinked rings were the brand emblem of Auto Union AG, the second-largest German motorvehicle manufacturer when the company was formed in the town of Chemnitz in 1932. The rings symbolized the indissoluble character of the entity created by the merger of four motor-vehicle brands from the German state of Saxony: Audi, DKW, Horch and Wanderer. This emblem summarized the tradition of car and motorcycle construction in that region, already many decades old, and was also evidence of the companies' determination to continue shaping the future of the motor vehicle. Today, Audi AG makes the same statement with its four-ring emblem: awareness of tradition, orientation toward the future. Four Rings: The Audi Story presents the history of Audi comprehensively and in a stimulating, highly informative manner, and includes company and product history data. The reader will be taken on a journey through a century of modern history and will experience the profound economic changes that occurred during this period. More than a thousand illustrations bear witness to the developments during this exciting period, and there are tables that round off the factual information provided and give the book the character of a work of reference.

A History of Progress chronicles the fascinating history of Audi AG, from its beginnings in Germany in 1909 to its unique place in the market today. This detailed walk through Audi's accomplishments covers all of the company's changes through the years. The entire Audi "family tree" is examined in detail- Wanderer, DKW, Horch, AudiA697, Auto Union, NSU-their participation in motor sports, & bios of the people who made the company what it is today. A History of Progress contains hundreds of rare factory photos & illustrations, presenting Audi's past & present in a hardcover, high quality book. Whether you are an Audi owner, enthusiast or automotive historian, A History of Progress belongs on your bookshelf. A beautiful hardcover edition.

1000 Illustrations and fascinating text tells the story of Audi.

In addition to comprehensive maintenance and repair on the 1.6 and 1.7 liter engines, there's a wealth of specific information on the bigger GTI 1.8 liter engine (which includes modified fuel injection, a special cylinder head, oversize valves, and much more), the Pickup Truck (which uses a different, leaf spring rear suspension), and the Convertible's top adjustment. Complete tune-up steps and emission control specifications for the fuel-injected and
