by ourselves. The King of
love wants to help us

restore us—the real us.
As he heals our inner life,
he calls us to rise to the
occasion of our lives. The
most important journey
any woman can take is
the journey into
becoming her true self
through the love of God.
It's a beautiful paradox.

Morgan Snyder 's
Becoming a King
unabashedly speaks
directly to men, teaching
them the life-changing
truth about the power
that God intends for
them to responsibly step
into for his kingdom,
while also giving women
an honest peek behind
the curtain into the lives
and hearts of the men
they know and love. It is

Get Free Becoming

God's design, desire,
and intention to
empower humans and
entrust them to
participate in the
ongoing creativity of the
universe. Yet a look at
our history and the world
around us shows that the
story of most men is
being entrusted with
power and having that
power bring harm to
themselves and those

under their care.

What 's gone wrong?

When can you entrust a
man with power? In

Becoming a King,

Morgan Snyder shares
that when we take a

deeper pass at the
external problems

around us, we begin to
see the problems within
our souls. Yet Morgan
suggests there is hope in
an ancient path that leads

Get Free Becoming

men to become
trustworthy kings.
Journey with Morgan as
he walks alongside men
(and the women who
love and encourage
them) to rediscover this
path of inner
transformation.

Becoming a King is an
invitation into a radical
reconstruction of much
of what we 've come to
believe about God,

Get Free Becoming

ourselves, and the meaning of life. It ' s an invitation to a rare and remarkable fellowship of like-hearted kings and an honest conversation about what power and responsibility look like for men in our world today. Traveling the path isn ' t cheap. It isn ' t easy. It isn ' t quick. But it is the heroic journey detailed within the pages

of Becoming a King that leads to real life; to men becoming as solid and mighty as oak trees, teeming with strength and courage to bring to a hurting world; and to our sons, husbands, brothers, and friends becoming the kind of kings to whom God can entrust his kingdom.
