After a close encounter with a bus, Alona Dare goes from homecoming queen to Queen of the Dead. She's stuck as a ghost in the land of the living with no sign of the big, bright light to take her to a better place. To make matters worse, the only person who might be able to help her is Will Killian, a total loser outcast. More than anything, Will wishes he didn't have the rare ability to communicate with the dead, especially the former mean girl of Groundsboro High. He's not filling out any volunteer forms to help her cross to the other side, though it would bring him some welcome peace and quiet. /DIV DIV Can they get over their mutual distrust -- and quasi-attraction -- to work together? Readers of this spirited paranormal comedy won't want this odd couple to ever part.

At the time of her death in after a long battle with cancer, Eve Sedgwick had been working on a book on affect and Proust, and on the psychoanalyst Melanie Klein. This volume, edited by Jonathan Goldberg, brings together a collection of her last

work.

International Finance and Open-Economy Macroeconomics provides a complete theoretical, historical, and policy-focused account of the international financial system that covers all of the standard topics, such as foreign exchange markets, balance of payments accounting, macroeconomic policy in an open economy, exchange rate crises, multinational enterprises, and international financial markets. The book uses the 1944 Bretton Woods Conference as a unifying theme to relate the many controversial issue. It is written in a lively manner to bring real world events into the discussion of all of the concepts, topics, and policy issues. There is also emphasis on the history of economic thought in order to explain how economists in different time periods dealt with international financial issues.

Armies of Fellspawn march upon Highmount. The Iron Gods have awoken from their slumber. E'blis, the Prince of Pain, is preparing a very special sacrifice to raise the Fallen One from his tomb. Sarah Bean must beseech the Kay'lo to join the war and help her to save Seythe from total destruction. Will they agree to help her? Can Highmount survive such an onslaught of evil? Or will this be the beginning of the end for the Thirteen Worlds?
