Guide Review - Brinkmann 5-Burner
With Smoker Model #810-1751-SC .

This is a large (554 square inch
primary cooking area) 5-burner grill.
It is a little low in the BTUs and lacks
the construction and component
quality of similarly priced gas grills
(see Top 10 Gas Grills between \$250
and \$500).What is does offer, as its
most interesting extra is a small gas
powered smoker built into the
cabinet.
