The Importance of Good Grammar Skills in Business. Having good grammar skills is something that is required of us while we are in school, but once we are finished with our academic careers, and once we enter the business world, we tend to have a more relaxed stance towards grammar. This has been especially true in the past 10 years or so, where the immediacy of communication has required us to respond quickly, without "wasting" time on stuff like capital letters, punctuation, and even ...
