Staffordshire Bull Terrier History. Before the nineteenth century, bloodsports such as bull baiting, bear baiting and cock fighting were common. Bulls brought to market were set upon by dogs as a way of tenderizing the meat and providing entertainment for the spectators; and dog fights with bears, bulls and other animals were often organized as entertainment for both royalty and commoners.

Bullfighting History. The spectacle of bullfighting has existed in one form or another since ancient days. For example, a contest of some sort is depicted in a wall painting unearthed at Knossos in Crete, dating from about 2000 BC. It shows male and female acrobats confronting a bull, grabbing its horns as it charges and vaulting over its back.

The Bull Ring is a major shopping centre in central Birmingham. When combined with Grand Central it is the United Kingdom's largest city centre based shopping centre and has been an important feature of Birmingham since the Middle Ages, when its market was first held. Two shopping centres have been built in the area; in the 1960s, and then in 2003; the latter is styled as one word, Bullring. The site is located on the edge of the sandstone city ridge which results in the steep gradient towards D

Thomas Brown, circa 1829. The Old English Bulldog was compact, broad and muscular, as reflected in the well-known depiction Crib and Rosa. Through John Scott's engraving, this painting became the best-known and most reproduced painting of dogs from that period. As described in the Philo-kuon standard from 1865, the average height was approximately 15 inches (380 mm), and they weighed about 45 pounds (20 kg).
