Bodies in the Bog: The Lindow Mysteries - Science History
But past events begin to surface, and Maura is suddenly swept up into a mystery involving a long-buried family secret. A mysterious man seems to be stalking Maura, making her question why someone is trying to scare her away. Buried In A Bog (County Cork series Book 1) was a story of community, secrets, and the strength of family bonds. I enjoyed it, although it seemed as though many things came together rather serendipitously for Maura.

Bog butter is found buried inside some sort of wooden container, such as buckets, kegs, barrels, dishes and butter churns. It is of animal origin, and is also known as butyrellite. Until 2003 scientists and archaeologists were uncertain of the origin of bog butter. Scientists working at the University of Bristol discovered that some samples of the "butter" were of adipose / tallow origin while others were of dairy origin.
