Business Environment - Vivek Mittal - Google Books

This book is not only about defining the concepts or facts and fundamentals of business environment rather it takes care of the practical aspects of business. Efforts have been made to cover all the aspects of external environment â " Political, Technological, Global and Socio-cultural â " which influence business decisions. Today, international agencies and treaties govern business. This book describes extensively about international agencies like IMF, IBRD, ADB, etc.

On account of the risks posed by Covid-19, Procam International, the organisers of the Airtel Delhi Half Marathon (ADHM), have made a slew of adjustments in the usual arrangements. The biggest attraction of most of the marathons is the participation of amateur runners, who get the opportunity to run on the same course where elite international athletes run.
