The Merck Manual of Diagnosis and Therapy, referred to as The Merck Manual, is the world's best-selling medical textbook, and the oldest continuously published English language medical textbook. First published in 1899, the current print edition of the book, the 20th Edition, was published in 2018. In 2014, Merck decided to move The Merck Manual to digital-only, online publication, available in both professional and consumer versions; this decision was reversed in 2017, with the publication of t

Perhaps the best evidence of Merck's dedication is "The
Merck Manual", the trusted medical reference doctors have
used most since 1899. Although it is one of the most widely
used sources of medical information in the world, it isn't
written for the general public.
