Journeys of the World is proud to present its collection of beautiful Travel Photography books, with its first publication: "Journeys of Cinque Terre". This book features a wide variety of photography from all 5 villages, which make up this world renowned and protected area in North Western Italy (Cinque Terre). Regardless of how many countries you plan on visiting or have visited, it's very likely that you will encounter the vast majority of what is featured in our publication when visiting Cinque Terre. In Journeys of Cinque Terre, the photos were taken on the spot, with no prior arrangements and on the "go". Unlike many other publications, we don't stage or make prior arrangements for our photography. Our product also contains over 90% of photography. This is truly what makes this an exciting item. Journeys of Cinque Terre, along with all other products to come out, has been set up to promote the beauty of its chosen location. This item wants to promote the visual history of Cinque Terre, for both Esthetic and Educational purposes. We guarantee that our publication will satisfy any of your curiosities, through the magic of our lenses. For more info, also check out www.journeysoftheworld.com

Updated for today's job market, the classic interview prep guide helps you say the right words and get the job you want. No matter how good you look, how much research you've done, or how perfectly your qualifications match the job description, if you're not prepared with great answers to the toughest interview questions, you won't get the job. 101 Great Answers to the Toughest Interview Questions is a manual that will help you home in on exactly what the interviewer is trying to learn . . . with each and every question he or she asks. If you've never done well on interviews, never even been on a job interview, or just want to make sure a lousy interview doesn't cost you a job you really want, Ron Fry will help you get that job—as he has helped millions of people nationwide and throughout the world. This twenty-fifth anniversary edition of 101 Great Answers to the Toughest Interview Questions is thoroughly updated to reflect the realities of today's job market. Whatever your age and experience, whether you are seeking your very first job or finally breaking into the executive office, this is the one book you need to get that job.

In this madcap journey, a bestselling journalist investigates psychopaths and the industry of doctors, scientists, and everyone else who studies them. The Psychopath Test is a fascinating journey through the minds of madness. Jon Ronson's exploration of a potential hoax being played on the world's top neurologists takes him, unexpectedly, into the heart of the madness industry. An influential psychologist who is convinced that many important CEOs and politicians are, in fact, psychopaths teaches Ronson how to spot these high-flying individuals by looking out for little telltale verbal and nonverbal clues. And so Ronson, armed with his new psychopath-spotting abilities, enters the corridors of power. He spends time with a death-squad leader institutionalized for mortgage fraud in Cocksackie, New York; a legendary CEO whose psychopathy has been speculated about in the press; and a patient in an asylum for the criminally insane who insists he's sane and certainly not a psychopath. Ronson not only solves the mystery of the hoax but also discovers, disturbingly, that sometimes the personalities at the helm of the madness industry are, with their drives and obsessions, as mad in their own way as those they study. And that relatively ordinary people are, more and more, defined by their maddest edges.

This guide to job hunting teaches readers: how to become a powerful candidate by looking beyond the job description; how to use the four questions to distinguish a right interview from a wrong one; how trying to get a job can land you in the wrong job; where and how to gain the inside edge needed to interview confidently and convincingly; how to control the interview to one's advantage; how to make the prospective employer see the applicant as the solution to his/her problems; and how to win the job by doing the job.

The New York Giants returned to prominence with a Super Bowl victory in 2008, but the franchise has a long and proud history. This book focuses on six different eras of the team, from its 1925 inaugural season, through the “glory years” of the 1950s with stars Frank Gifford and Sam Huff, to its victory over the New England Patriots in Super Bowl XLII, one of the greatest upsets in football history. Players, coaches, general managers, and critical games are highlighted, along with the Mara family, which has guided the franchise since its inception. The growth of the team’s popularity mirrors the rise of the NFL as America’s most popular spectator sport.

A description of a new system for identifying four different personality types, which uses points of the compass to describe character traits. Questionnaires designed to help to identify types are included in the text, and tips are given on improving individual relationships at home and in the workplace based on the findings of the technique.
