Considered the industry standard resource, this guide provides practical guidance, essential information and hands-on advice on the many aspects of accounting and authoritative auditing for employee benefit plans. This new 2016 edition is packed with information on new requirements -- including the simplification of disclosure requirements for investments in certain entities that calculate net asset value per share (or its equivalent), the simplification of disclosures for fully benefit-responsive investment contracts, plan investment disclosures, and measurement date practical expedient, and a new employee stock ownership plans chapter that includes both accounting and auditing.

Annual Returns and Audit under GST are going to be the most crucial compliances. This book i.e. Annual Return & Audit in GST, is written with the intention of making the reader understand the requisites that are to be filled in the clauses of Annual Return (GSTR – 9) and Audit (GSTR-9C). The aim is to discuss the flow of information from the earlier filed returns in the two forms and also to discuss the alignment of books of accounts viz a viz the two returns. The data assimilation and redressal of the major shortcomings/errors has been dealt by the Authors in the book. Audit report (GSTR 9-C) is again an important filing and auditor is required to be assiduous in pointing the compliances which have not been made by the tax payer and impact of his tax payments. The Book covers clause-wise analysis of the audit form along with cardinal aspects of audit. The authors have also covered the relevant Standards of Auditing in this book, because for conducting any audit, such standards are necessary to be followed.

Get authoritative accounting and auditing guidance. Educate staff on the property and liability insurance industry, its products and regulatory issues, and the related transaction cycles an insurance entity is involved with. This guide contains updates on current GAAP and statutory accounting and audit guidance, as well as relevant guidance contained in standards issued through September 1, 2018 which have a major impact on insurance entities, including: FASB ASU No. 2016-01 and AICPA Q&A Section 7100.15: Insurance Companies and the Definition of Public Business Entity Revenue Recognition Implementation Issue: Considerations for Applying the Scope Exception in FASB ASC 606-10-15-2 and 606-10-15-4 to Contracts Within the Scope of FASB ASC 944

Index is composed of 3 sections: Basic classifications subject, Current VA directives, and Rescinded VA directives.

Index is composed of 3 sections: Basic classifications subject, Current VA directives, and Rescinded VA directives.

This book helps simplify the complexities of insurance entity regulatory compliance. Whether performing audit engagements or management at an insurance entity, the 2018 edition of this guide is a must-have resource to keep abreast of recent regulatory changes related to the life and health insurance industry, its products and regulatory issues, and the related transaction cycles that an insurance entity is involved with. New to the 2018 edition: This edition covers recent regulatory updates related to the Affordable Care Act and provides guidance for new standards that impact life and health insurance, including revenue recognition, financial instruments, leases, and more.
