This edited volume explores political violence and genocide in Latin America during the Cold War, examining this in light of the United States ' hegemonic position on the

Download Ebook Cold War

continent. Using case studies based on the regimes of Argentina, Chile, Guatemala, Peru and Uruguay, this book shows how U.S foreign policy – far from promoting long term political stability and democratic institutions – has actually undermined them. The first part of

Download Ebook Cold War

the book is an inquiry into the larger historical context in which the development of an unequal power relationship between the United States and Latin American and Caribbean nations evolved after the proliferation of the Monroe Doctrine. The region came to be

Download Ebook Cold War

seen as a contested terrain in the East-West conflict of the Cold War, and a new US-inspired ideology, the ' National Security Doctrine ' , was used to justify military operations and the hunting down of individuals and groups labelled as ' communists ' .
Following on from

Download

Ebook Cold War

this historical context, the book then provides an analysis of the mechanisms of state and genocidal violence is offered, demonstrating how in order to get to know the internal enemy, national armies relied on US intelligence training and economic aid to carry out their surveillance
