BUSINESS COMMUNICATION: PROCESS AND PRODUCT, 8e, is designed to prepare students for success in today's digital workplace. The textbook presents the basics of communicating in the workplace, using social media in a professional environment, working in teams, becoming a good listener, and presenting individual and team presentations. Authors Mary Ellen Guffey and Dana Loewy also offer a wealth of ideas for writing resumes and cover letters, participating in interviews, and completing follow-up activities. Optional grammar coverage in each chapter, including a comprehensive grammar guide in the end-of-book appendix, helps students improve their English language skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The ability to communicate effectively is critical for success in today's business environment. The new edition of this "back to the basics" book was specifically designed to help users develop their communication skills. The authors offer complete coverage of fundamental business English topics and concepts, with extensive practice and end-of-chapter review. Three chapters focus on essential oral and nonverbal communication skills. Facing-page models, a hallmark feature of this text, provide students with good and bad examples of business writing. This new edition also integrates technology throughout, using numerous Internet activities combined with a dedicated, completely updated chapter on technology issues and even more material on coordinating effective media presentations. Information on business and casual dress for interviews and electronic resumes helps readers prepare for the realities of today's workplace.
