...

OEE provides an option to trigger creation of plant maintenance (PM) notification in ERP from the OEE dashboard. You can trigger notifications for downtime events already reported or trigger one when reporting a new downtime. In case a machine needs maintenance, you can also trigger a notification without reporting an associated downtime event.

Configuring Plant Maintenance Notification - SAP Help Portal

Enterprise Asset Management: Configuring and Administering SAP R/3 Plant Maintenance is a valuable resource for novices as well as those experienced with SAP configuration. Updated for SAP R/3 version 4.7 (R/3 Enterprise), it is also a valuable resource for upgrading existing SAP Plant Maintenance installations.
