The most successful products in the marketplace are those that know their strengths and have branded and marketed those strengths to form a passionate, emotional connection with loyal users and establish relationships with new users every step of the way. Just like the very best brands in the business world, Contemporary Marketing continues to evolve, both as a product and as a brand. This fourth Canadian edition of Contemporary Marketing continues to develop and grow with new cases and examples, as well as a new emphasis on social media. As with every good brand, the patterns of innovation and excellence established at the beginning have remained steadfast. The conversational style and example-driven content breathe life into the exciting concepts and issues facing today's marketers and are at the core of Contemporary Marketing's student-centered approach. In keeping with the tradition of innovation and excellence that has made Contemporary Marketing a success, this edition is available with MindTap, an online platform that provides a learning path that gets students thinking like marketers.

Contemporary Business, Third Canadian Edition, is a comprehensive introductory course. Rooted in the basics of business, this course provides students a foundation upon which to build a greater understanding of current business practices and issues that affect their lives. A wide variety of global issues, ideas, industries, technologies, and career insights are presented in a straightforward, application-based format. Written in a conversational style and edited for plain language, Contemporary Business ensure readability for all students, including students for whom English is their second language. The goal of this course is to improve a student's ability to evaluate and provide solutions to today's global business challenges and ultimately to thrive in today's fast-paced business environment.

Products often begin their lives as something extraordinary and as they grow they continue to evolve. The most successful products in the marketplace are those that know their strengths and have branded and marketed those strengths to form a passionate emotional connection with loyal users and relationships with new users every step of the way. In CONTEMPORARY MARKETING, 13e, students will find a text that includes everything they need to know in order to begin a marketing career, as well as things that will help them understand how to look at their own studies and their own careers as a marketing adventure. All the components of the marketing mix are included along with a lot of other compelling and thought-provoking ideas and concepts. Since its first edition, CONTEMPORARY MARKETING continues to showcase the foundations of marketing principles while featuring the newest trends and research in the discipline.

Founded in 1971, the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory, research, and practice. Among its services to members and the community at large, the Academy offers conferences, congresses and symposia that attract delegates from around the world. Presentations from these events are published in this Proceedings series, which offers a comprehensive archive of volumes reflecting the evolution of the field. Volumes deliver cutting-edge research and insights, complimenting the Academy's flagship journals, the Journal of the Academy of Marketing Science (JAMS) and AMS Review. Volumes are edited by leading scholars and practitioners across a wide range of subject areas in marketing science. This volume includes the full proceedings from the 2008 Academy of Marketing Science (AMS) Annual Conference held in Vancouver, BC, Canada.

Social Marketing for Public Health: Global Trends and Success Stories explores how traditional marketing principles and techniques are being used to increase the effectiveness of public health programs-around the world. While addressing the global issues and trends in social marketing, the book highlights successful health behavior change campaigns launched by governments, by a combination of governments, NGOs, and businesses, or by citizens themselves in 15 countries of five continents. Each chapter examines a unique, current success story, ranging from anti-smoking campaigns to HIV-AIDS prev
