briefly ...

Twelve-year-old genius and outsider Willow Chance must figure out how to connect with other people and find a surrogate family for herself after her parents are killed in a car accident.

In the tradition of *WONDER* and *TO KILL A MOCKINGBIRD* this award-winning New York Times bestseller is an intensely moving, lyrically-written novel. *COUNTING BY 7S* tells the story of Willow Chance, a twelve-year-old genius who is obsessed with diagnosing medical conditions and finds comfort in counting by 7s. It has never been easy for her to connect with anyone other than her adoptive parents, but that hasn't kept her from leading a quietly happy life . . . until now. Suddenly Willow's world is tragically changed when her parents both die in a car crash, leaving her alone in a baffling world. Her journey to find a fascinatingly diverse and fully believable surrogate family is a joy and a revelation to read.

Twelve-year-old genius and outsider Willow Chance must figure out how to connect with other people and find a surrogate family for herself after her parents are killed in a car accident.

In the tradition of *Out of My Mind*, *Wonder*, and *Mockingbird*, this is an intensely moving middle grade novel about being an outsider, coping with loss, and discovering the true meaning of family. Willow Chance is a twelve-year-old genius, obsessed with nature and diagnosing medical conditions, who finds it comforting to count by 7s. It has never been easy for her to connect with anyone other than her adoptive parents, but that hasn't kept her from leading a quietly happy life . . . until now. Suddenly Willow's world is tragically changed when her parents both die in a car crash, leaving her alone in a baffling world. The triumph of this book is that it is not a tragedy. This extraordinarily odd, but extraordinarily endearing, girl manages to push through her grief. Her journey to find a fascinatingly diverse and fully believable surrogate family is a joy and a revelation to read. "Holly Goldberg Sloan writes about belonging in a way I've never quite seen in any other book. This is a gorgeous, funny, and heartwarming novel that I'll never forget." —John Corey Whaley, author of *Where Things Come Back* "Willow Chance subtly drew me into her head and her life, so much so that I was holding my breath for her by the end. Holly Goldberg Sloan has created distinct characters who will stay with you long after you finish the book."—Sharon Creech, Newbery Award-winning author of *Walk Two Moons* "In achingly beautiful prose, Holly Goldberg Sloan has written a delightful tale of transformation that's a celebration of life in all its wondrous, hilarious and confounding glory. *Counting by 7s* is a triumph."—Maria Semple, author of *Where'd You Go, Bernadette*

Emily Bell believes in destiny. To her, being forced to sing a solo in the church choir--despite her average voice--is fate: because it's while she's singing that she first sees Sam. At first sight, they are connected. Sam Border wishes he could escape, but there's nowhere for him to run. He and his little brother, Riddle, have spent their entire lives constantly uprooted by their unstable father. That is, until Sam sees Emily. That's when everything changes. As Sam and Riddle are welcomed

into the Bells' lives, they witness the warmth and protection of a family for the first time. But when tragedy strikes, they're left fighting for survival in the desolate wilderness, and wondering if they'll ever find a place where they can belong. Beautifully written and emotionally profound, *I'll Be There* is a gripping story that explores the complexities of teenage passions, friendships, and loyalties.

Julia is very short for her age, but by the end of the summer she'll realize how big she is inside, where it counts. This is the summer she gets cast as a munchkin in a production of *The Wizard of Oz*. She hasn't ever thought of herself as a performer, but as Julia becomes friendly with the poised and wise Olive - an adult with dwarfism who doesn't let her size define her - and with a deeply artistic neighbour named Mrs. Chang, she finds that she may not be as tall as everyone else, but she more than deserves to hold her head high.

The happily-ever-after of Holly Goldberg Sloan's acclaimed debut, *I'll Be There*, is turned on its head in this riveting, emotional sequel about friends, enemies, and how those roles can shift in a matter of moments. Emily Bell has it all. She's in love with a boy named Sam Border, and his little brother has become part of her family. This summer is destined to be the best time of their lives--until a charismatic new girl in town sets her sights on Sam. Now Emily finds herself questioning the loyalty of the person she thought she could trust most. But the biggest threat to her happiness is someone she never saw coming. Sam's criminally insane father, whom everyone thought they'd finally left behind, is planning a jailbreak. And he knows exactly where to find Emily and his sons when he escapes...and takes his revenge.

From the New York Times bestselling author of *Counting by 7s* comes a heartfelt story about "the importance of compassion and bravery when facing life's challenges" (Kirkus) for fans of *The One and Only Ivan* and *Front Desk*. It's been almost a year since Sila's mother traveled halfway around the world to Turkey, hoping to secure the immigration paperwork that would allow her to return to her family in the United States. The long separation is almost impossible for Sila to withstand. But things change when Sila accompanies her father (who is a mechanic) outside their Oregon town to fix a truck. There, behind an enormous stone wall, she meets a grandfatherly man who only months before won the state lottery. Their new alliance leads to the rescue of a circus elephant named Veda, and then to a friendship with an unusual boy named Mateo, proving that comfort and hope come in the most unlikely of places. A moving story of family separation and the importance of the connection between animals and humans, this novel has the enormous heart and uplifting humor that readers have come to expect from the beloved author of *Counting by 7s*.

When her mother has the chance to establish an eye clinic for the poor in Cairo, Egypt, seventeen-year-old Caroline reluctantly gives up her plans for a summer spent with her best friend and boyfriend and instead moves to Cairo, where she encounters a culture and city that enchant her and a charming boy who challenges her thoughts on love, faith, and privilege.

A young possum strikes out on her own and winds up trapped in a human house before her brothers can rescue her.
