The unassuming title of John H. Sprinkle Jr.'s *Crafting Preservation Criteria* cloaks a major contribution to the literature on historic preservation in the Unit We use cookies to enhance your experience on our website. By continuing to use our website, you are agreeing to our use of cookies.

### **Crafting Preservation Criteria: The National Register of ...**

*Crafting Preservation Criteria* sets out these preservation criteria for students, explaining how they got added to the equation, and elucidating the test cases that allowed for their use. From artworks to churches, from 'the fifty year rule' to 'the historic scene', students will learn how places have been historically evaluated to be placed on the National Register, and how the criteria evolved over time.

### **Crafting Preservation Criteria: The National Register of ...**

In 1966, American historic preservation was transformed by the passage of the National Historic Preservation Act, which created a National Register of Historic Places. Now comprising more than 1.4 million historic properties across the country, the National Register is the official federal list of places in the United States thought to be worthy of preservation.
