Eat to Live : The Amazing Nutrient-Rich Program for Fast ...

Eat To Live took everything I have learned about nutrition and put it all together. It was great. I do have a couple of problems with it, but I am still following the basic program outlined, just with a few tweaks. Problem number 1: Nothing is said in this book about food combining. I don't agree with eating fruit with other foods besides greens.

Eat to Live: The Revolutionary Formula for Fast and ...

Eat to Live will help you live longer, reduce your need for medications, and improve your overall health dramatically. It is a book that will change the way you want to eat. Most of all, though, Eat to Live will enable you to lose more weight than you ever thought possible.

Eat to Live: The Revolutionary Formula for Fast and ...

Dr. Fuhrman spends the entire book basically trying to convince everyone that eating food is JUST because we have to do it... hence, the appropriate book title, "Eat to Live". But he extracts from it any element of enjoyment, and spins the scientific approach, ad nauseum. I get it -- eat more plant based diet. I already knew that!
