"A definite MUST READ! EFFORTLESS WITH YOU left me smiling like a doofus and hugging my Kindle." -- Cassie Mae, bestselling author of REASONS I FELL FOR THE FUNNY FAT FRIEND and the forthcoming HOW TO DATE A NERD "A fun summer read. Highly recommended." -- Sheralynn Kwong "A quick, fun and flirty read. Thanks for sharing." -- Julie Ann Marra EFFORTLESS WITH YOU is the story of Lucy, a girl who needs an attitude adjustment, and Justin, the boy who just might give it to her. School is out and Lucy is ready for the perfect summer: lazy days at the pool, invitations to the most exclusive parties, and romantic dates with her hot new boyfriend. That is, until she lands in trouble one too many times and her parents issue the ultimate punishment: a summer job. Suddenly, the summer can't end fast enough. To make matters worse, the job is painting houses with Justin, the most popular, egotistical guy in school. Spending all summer with Justin might be other girls' dreams, but definitely not Lucy's. After all, Justin is cocky, annoying, and a jerk. So what if he's the most beautiful jerk Lucy's ever seen? Or that his grin makes her forget she's mad at the world? Or that maybe, just maybe, there's more to Justin than everyone thinks. Only one thing is certain: it won't be the summer she wanted, but it might be exactly the one she needs. Preview chapters from Cassie Mae's HOW TO DATE A NERD and Linda Budzinski's THE FUNERAL SINGER.

Hawthorn wasn't trying to insert herself into a missing person's investigation. Or maybe she was. But that's only because Lizzie Lovett's disappearance is the one fascinating mystery their sleepy town has ever had. Bad things don't happen to popular girls like Lizzie Lovett, and Hawthorn is convinced she'll turn up at any moment-which means the time for speculation is now. So Hawthorn comes up with her own theory for Lizzie's disappearance. A theory way too absurd to take seriously...at first. The more Hawthorn talks, the more she believes. And what better way to collect evidence than to immerse herself in Lizzie's life? Like getting a job at the diner where Lizzie worked and hanging out with Lizzie's boyfriend. After all, it's not as if he killed her-or did he? Told with a unique voice that is both hilarious and heart-wrenching, Hawthorn's quest for proof may uncover the greatest truth is within herself.

Popularity isn't everything it's cracked up to be. Justin Marshall knows this better than most. For the captain of the basketball team, small business owner, and son of Minnesota's next governor, life can get pretty overwhelming. But Justin can handle anything as long as he has Lucy, the girl who fell for the man he's trying to be. But for Justin and Lucy, finding time together proves challenging. Stolen kisses and whispered promises just aren't enough. That is, until scandalous photos of the couple are leaked to a press intent on creating a juicy scandal during Justin's dad's gubernatorial campaign. And when Lucy becomes fair play for the tabloids and gossip pages, Justin does the only thing he can to protect her: he breaks her heart.

One girl. Twin brothers. An uncommon triangle. When college student Olivia Townsend returned home to help her father run his business, she never imagined a complication like Cash and Nash Davenport—twin brothers different in so many ways but with one thing in common: an uncontrollable desire for Olivia. Cash is dangerous, sexy, and bad to the bone—a man whose kisses make Olivia forget she is playing with fire. Nash is successful, reliable and intensely passionate—and already taken. But all it takes is one soft stroke to make Olivia forget he belongs to someone else. However, Olivia is in for a surprise. These boys have a secret that should make her run away as far and as fast as she can. If only it wasn't too late. A sensual game between three players has begun, and it's about to spin deliriously out of control. Includes a teaser for *The Wild Ones*

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Still mourning the loss of Lucas Nelson, the boy she loved in secret for years, seventeen-year-old Emmy Martin turns to her passion for mountain biking to try to fill the empty void in her life. But just when things start looking up, Emmy discovers her mom has been diagnosed with early-onset Alzheimer's. Confused and angry, she throws herself into mountain biking like never before. She wants to improve on the trails, get a sponsor, and finally beat her nemesis, Whitney. When Cole Evans, a boy from school who usually doesn't care about anything but himself, offers to train her for the biggest race of the season, she accepts, determined to beat Whitney. The more time she spends with Cole, the more she realizes he's different than she'd expected, and, to her surprise, she's falling for him. Torn between the deep feelings she still has for Lucas and her growing ones for Cole, she knows she must choose a path. As she drifts further away from her family and closer to her dream of being sponsored, a terrible accident threatens any semblance of peace and happiness she has left. Instead of closing herself off to the people she loves, Emmy must learn to rely on those she has pushed away if she's going to have any chance of picking up where she left off before the accident.

The first time Lizzie dies is a learning experience. Then again, anyone new to an ancient Egyptian reincarnation cult would have no idea what to expect once they've made it past the Hall of Judgment. Now that she's been sent back to find out why her husband from her past life is missing, the last thing Lizzie expects is to wake up in the wrong body, stuck with the mess its previous tenant left behind. In fact, she's in agreement that whoever ran Ashton Kennedy over with a big shiny SUV did the world a massive favour. Some secrets, she soon discovers, are better left buried, especially in a world where enemies are eternal, and death does not offer a final solution.

From the author of Dept. of Speculation, a dazzling and deadpan new novel about hope and despair, fear and comfort as it plays out in these times of environmental and political turbulence
