Eine kleine Nachtmusik (Serenade No. 13 for  
strings in G major), K. 525, is a 1787  
composition for a chamber ensemble by  
Wolfgang Amadeus Mozart. The German title  
means "a little serenade", though it is often  
rendered more literally as "a little night  
music". The work is written for an ensemble  
of 2 violins, viola, and cello with optional  
double bass but is often performed by string  
orchestras.

La ricerca e il dibattito attuale sui saperi scolastici si sono polarizzati intorno alla nozione di 'competenza', area di transizione in cui si realizza il passaggio dalla didattica tradizionale a una didattica più critica e ideativa. Le 'competenze', però, non bastano: per formare una mente autenticamente critica è necessario anche potenziare la 'riflessività'. Il volume inquadra il rinnovamento attuale della scuola nel più recente dibattito sulla nuova immagine dei saperi afferenti alle varie aree
