Face painting art is very popular and is always in high demand at face painting events. Some face painters try to promote many types of complex designs that cover the full face to impress their crowd, which results in them not focusing on or promoting face painting cheek art. Face painting cheek art can be just as impressive and exciting as doing full size face painting as well as body art. Face painting cheek art is very popular for a reason, and it also holds many benefits to not only the face painter, but also to the person who is receiving the design. Universal Studios never really wanted to get into the theme park business. They wanted to be the anti-Disney. But when forced to do so, they did it in a big way. Despite the fits and starts of multiple owners, the parks have finally gained the momentum to mount a serious challenge to the Walt Disney Company. How did this happen? Who made it happen? What does this mean for the theme park industry? In Universal Versus Disney, his newest work to investigate the histories of America's favorite theme parks, seasoned Disney-author Sam Gennawey has thoroughly researched how Universal Studios shook up the multi-billion dollar theme park industry, one so long dominated by Walt Disney and his legacy.
