This compact volume by one of the foremost contemporary feminist scholars of the Hebrew Bible packs a big punch. Feminist Theory and the Bible: Interrogating the Sources contains six well-defined essays, each of which can stand independently, but which together weave into a succinct yet remarkably comprehensive and thought-provoking assessment and interrogation of feminist theory of the Bible. The introduction first points out the dearth of focused studies on feminist biblical theory (1-5 ...

Clearly, this feminist perspective has uncovered abundant evidence for the inferiority, subordination and abuse of women in Scripture. Yet the approach has led to different conclusions. Some people denounce biblical faith as hopelessly misogynous, although this judgment usually fails to evaluate the evidence in terms of Israelite culture.

(UsNews Online 8/10/98) The role of women in the Bible is undoubtedly an important one, but whether they are painted as heroines or as deceivers depends on the source. Feminist biblical scholars have pointed to various aspects of biblical language that some consider problematic when trying to foster equality between genders.

Probe's Sue Bohlín says that very real, harmful inequities truly needed to be addressed by the feminist movement, and it's important to honor some of the success of feminist activists. But at the same time, we need to examine and expose the worldview that fuels much of feminist thought. This article is also available in Spanish.

The modern concept of feminism was not present during the time that the Bible was written, but that does not mean the Bible has nothing to say on the basic issues of feminism. Even when the Scriptures seem to be silent on something that affects us today, there are eternal principles that speak to the underlying issue.

Christian feminism is a school of Christian theology which seeks to advance and understand the equality of men and women morally, socially, spiritually, and in leadership from a Christian perspective. Christian feminists argue that contributions by women, and an acknowledgment of women's value, are necessary for a complete understanding of Christianity. Christian feminists believe that God does not discriminate on the basis of biologically-determined characteristics such as sex and race, but cre
