essential administrative requirements of a FIDIC based contract by reference to the FIDIC

1999 Red Book. The obligations and duties of the Employer and the Engineer are identified and discussed. Potential pitfalls are highlighted and likely consequences pointed out. The

importance of the Employer ' s role in the

preparation of tenders, which fully reflect his requirements and duties and obligations arising in the execution of the works, is emphasised.

The key role of the Engineer in the effective administration of contracts after award is examined and commentary provided.

Included in the guide are a number of appendices,
