Gitman's proven learning goal system--a hallmark feature of Principles of Managerial Finance--weaves pedagogy into concepts and practice, providing readers with a roadmap to guide them through the text and supplementary tools. The thirteenth edition features new coauthor Chad Zutter of the University of Pittsburgh who brings his contemporary thinking and pedagogy to the text.

Gitman's Brief Third Edition approaches introductory finance with a focused concentration on the fundamental concepts, techniques, and practices of managerial finance. Integrating pedagogy with the concepts and practical

applications necessary for a solid understanding of managerial finance, this edition equips instructors and students to concentrate on the concepts, techniques, and practices for keen financial decision making in an increasingly competitive business environment.

Knowing what to do with your money is more important than ever. Gitman/Joehnk/Billingsley's market-leading PERSONAL FINANCIAL PLANNING, 13E, provides students with the tools, techniques, and understanding they need to define and achieve their financial goals. The book follows a life-cycle approach--addressing financial plans, assets, credit, insurance, investment, and retirement--as individuals and families progress through life. The latest updates reflect the most recent financial developments and research--from new tax laws and the latest financial data to professional financial advice that considers the impact of the recent global financial crisis. The 13th edition is packed with new information relevant to today's students--for example, changing spending habits for the better, knowing the right questions to ask a financial adviser, using tips on budgeting and planning for retirement, knowing what to look for when choosing a bank, knowing whether to buy or lease a car, knowing what's important when buying your first home, and choosing the right credit card. All-new features teach you to use today's critical financial tools and technology, including financial planning software. CFP practice questions provide valuable practice. The CengageNOW online learning system helps you complete your homework and achieve the grade you want. For undergraduate courses in Investments. The core concepts and tools readers need to make informed investment decisions Fundamentals of Investing helps individuals make informed investment decisions by providing a solid foundation of core concepts and tools. Smart, Gitman, and Joehnk use practical, hands-on applications to introduce the topics and techniques used by both personal investors and money managers. The authors integrate a consistent framework based on learning goals to keep readers focused in each chapter. Readers leave with the necessary information for developing, implementing, and monitoring a successful investment program. The 13th Edition uses a conversational tone to make the foreign language, concepts, and strategies of investing accessible to readers. With the help of examples throughout, readers learn to make informed decisions in order to achieve investment goals. The book focuses on both individual securities and portfolios, teaching readers to consider the risk and return of different types of investments and how to use this knowledge to develop, implement, and monitor goals. Also available with MyLab Finance MyLab Finance is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Discover how practical international finance can be with the unique blend of international finance theory and current applications found in INTERNATIONAL FINANCIAL MANAGEMENT, ABRIDGED EDITION, 9E. Using familiar companies such as Nike, author Jeff Madura clearly explains international finance in understandable terms with the support of hands-on applications. The book focuses on management decisions that maximize a firm's value. Readers examine some of the latest developments in international finance with the text's timely examples and extensive links to related Internet content. New Excel exercises and a variety of multinational corporation projects help readers refine their international finance skills. This Abridged Edition provides flexibility and an economical text choice by offering all chapters from the Full Edition but makes several of the chapters that are less frequently used available online at <http://academic.cengage.com/finance/madura>. Readers develop the international finance management skills needed to succeed in today's ever-changing market with the balance of solid theory and practical applications found in Madura's INTERNATIONAL FINANCIAL MANAGEMENT, ABRIDGED EDITION, 9E.
