~~A First Look~~

A First Look at Communication Theory offers students with no background in communication theory a broad introduction to theories. By discussing a single theory in each chapter with concentrated coverage, students are given a chance to focus their thoughts and engage with each theory, and making it easy for instructors to teach theories in any order.

"A Balanced Approach to Theory Selection. We've written A First Look for students who have no background in communication theory. It's designed for undergraduates enrolled in an entry-level course, regardless of the students' classification. The trend in the field is to offer students a broad introduction to theory relatively early in their program. But if a department chooses to offer its ...
