Free Clinics: Local Responses to Health Care Needs: Amazon ...

In community after community, pro bono and student-run health clinics have sprung up over the past 30 years, providing critically needed care to medically underserved populations. Free Clinics is a mosaic formed by accounts of such clinics around the United States. These wide-ranging narratives—from urban to rural, from primary care to behavioral health care—provide examples that will assist other communities seeking to find the model that best fits their needs.
