Dining Where the Food Is Produced In its purest, most honest form, farm-to-table means the table is actually at the farm and cooks or chefs prepare and serve the food at the farm (even in the field), as in Outstanding In the Field events. These are often special meals or fundraisers planned as one-off events.

### What Is the Meaning of Farm-to-Table?

Craft Made Organic Oatmeal Blends from Farm to Table Foods The world's finest craft-made organic whole grain & oatmeal blends. The most nutritious organic ingredients from small family farms. When most people think of oatmeal, they think of plain rolled oats packed into a round paper can.

### Craft Made Organic Oatmeal Blends from Farm to Table Foods

Farm-to-table (or farm-to-fork, and in some cases farm-to-school) is a social movement which promotes serving local food at restaurants and school cafeterias, preferably through direct acquisition from the producer (which might be a winery, brewery, ranch, fishery, or other type of food producer which is not strictly a "farm").

The Farm to Fork Strategy is at the heart of the European Green Deal aiming to make food systems fair, healthy and environmentally-friendly. Food systems cannot be resilient to crises such as the Covid-19 pandemic if they are not sustainable. We need to redesign our food systems which today account for nearly one-third of global GHG emissions ...
