Readers will love this creative way to cope with the memories and annoyances associated with an ex. This is the journal for all those days after a breakup when ex boyfriends and girlfriends just want to scream. It's a place to destroy and rant and vent without receiving a restraining order. It's a place where readers can blow off steam and let out stress so they don't go postal on people walking down the street minding their own business. This journal offers 60 activities to scribble, rant, and vent whenever readers need to release some post-relationship tension. It features hilarious exercises, like casting a spell on an ex, making a voodoo doll, or writing a list of the most irritating things about him or her. This book is the perfect way for readers to keep from freaking out after a breakup.

# Online Library Fu The Journal To Destroy Rant And Vent Without The

The provocative and mind-bending new novel from the bestselling author of *Fight Club* and *Haunted*. Rant takes the form of a (fictional) oral history of Buster “Rant” Casey, in which an assortment of friends, enemies, admirers, detractors, and relations have their say on this evil character, who may or may not be the most efficient serial killer of our time. Buster Casey was every small kid born in a small town, searching for real thrills in a world of video games and action/adventure movies. The high school rebel who always wins – and a childhood murderer? – Rant Casey escapes from his hometown of Middleton into the big city and becomes the leader of an urban demolition derby called Party Crashing, where, on designated nights, the participants recognize each other by dressing their cars with tin-can tails, “Just

# Online Library Fu The Journal To Destroy Rant

Married” toothpaste graffiti, and other refuse, then look for special markings in order to stalk and crash into each other.

It’s in this violent, late-night hunting game that Casey makes three friends. And after his spectacular death, these friends gather the testimony needed to build an oral history of his short life. Their collected anecdotes explore the charges that his saliva infected hundreds and caused a silent, urban plague of rabies . . . Expect hilarity and horror, and blazing insight into the desperate and surreal contemporary human condition as only Chuck Palahniuk can deliver it. He’s the postmillennial Jonathan Swift, the man to watch to learn what’s – uh-oh – coming next. Excerpt from RANT: Wallace Boyer (Car Salesman): Like most people, I didn’t meet and talk to Rant Casey until after he was dead. That’s how it works for most celebrities, after they croak their

# Online Library Fu The Journal To Destroy Rant

circle of close friends just explodes. A dead celebrity can't walk down the street without meeting a million best buddies they never met in real life. Dying was the best career move Jeff Dahmer and John Wayne Gacy ever made. . . . The way Rant Casey used to say it: Folks build a reputation by attacking you while you're alive—or praising you after you ain't.
