THE 12 WEEK HALF-MARATHON GUIDE Key to the guides. Rest: Take it easy on these days.It's all about listening to your body. If you want to do a mixed training on these days because you feel good, that's up to you of course, however it's better to stretch and do an activity like yoga or Pilates on these days or simply nothing at all.

The 12 week Half-Marathon training guide | On

Every detail of your diet and training for the next 12 weeks will be laid out for you. You will be told exactly what to eat, how much cardio to do, and how to weight train. The goal is simple: lose fat, maintain muscle mass, get in shape and transform your physique as much as possible over the next 3 months.

Heather Robertson's FREE 12 Week Workout Plan - YouTube

In my opinion, a 12 week marathon training schedule is the absolute minimum length for a thorough marathon preparation.. Without adequate preparation, it will be difficult to reach the finish line, not to mention the possible injuries you could get before, during and after the marathon.

12 Week Marathon Training Schedule to Get you Ready

We've teamed up with Brooks and expert PT Graeme Hilditch of GH Training to put together a training plan aimed at new runners looking to build towards their first 5K race. The key thing to remember when following a training plan is to use it very much as a guide; never feel compelled to follow it word for word and session for session.
