Suzuki Manuals.

Updated September  
10, 2020. I don't sell  
Suzuki manuals, nor  
do I supply them for  
download. My view is  
that just about  
everyone today has a  
computer, laptop,  
tablet or smart phone,  
together with fast  
internet service, and

so all I do is try to provide easy access to a range of manuals on-line that have either been given to me or that I have purchased and then scanned.
