Approach All Animals With Caution . Take care to avoid blind spots and approach animals slowly so that they are always aware of your presence. Talk softly as you approach an animal so it hears you coming. Sudden movements are never a good idea, regardless of the species or breed involved.

Safety Tips for Working With Animals

come from the World Small Animal Veterinary Association (WSAVA) Vaccination Guidelines Group (VGG) who provide global advice on canine and feline vaccination to the 175,000 veterinarians in 86 WSAVA member countries. These guidelines were first produced in 2007, revised in 2010, and were most recently updated in 2015 (Day and
