Perfect your live performance The harmonica is awesome to learn, but even more awesome to learn well, and Harmonica For Dummies will get you on the road from being an occasional entertainer to becoming an accomplished live performer. P.S. If you think this book seems familiar, you're probably right. The Dummies team updated the cover and design to give the book a fresh feel, but the content is the same as the previous release of Harmonica For Dummies (9781118880760). The book you see here shouldn't be considered a new or updated product. But if you're in the mood to learn something new, check out some of our other books. We're always writing about new topics!

This is a great method for any harmonica player to learn blues harmonica basics. An excellent means for expanding performance capabilities and styles, this book and CD set teaches cross harp (second position), note bending, 12-bar shuffle blues with bends, 12-bar slow blues with bends, introduction to third position (Dorian mode), Dorian mode exercises, 12-bar slow blues in third position, holding the harp with a microphone, the different microphones for electric harp, getting a great sound (amps, reverb devices, microphones and harps), and much more.

The fun and easy way to play blues on the harmonica Blues harmonica is the most popular and influential style of harmonica playing, and it forms the basis for playing harmonica in other styles such as rock and country. Blues Harmonica for Dummies gives you a wealth of content devoted to the blues approach—specific techniques and applications, including bending and making your notes sound richer and fuller with tongue-blocked enhancements; use of amplification to develop a blues sound; blues licks and riffs; constructing a blues harmonica solo; accompanying singers; historical development of blues styles; and important blues players and recordings. The accompanying audio CD features all the musical examples from the book, plus play-along exercises and

Basic Blues Harmonica Method is geared toward getting you playing blues harmonica as fast as possible. The songs and exercises have been designed to get you comfortable with moving around the instrument and allow you to take full advantage of the great sounding patterns available on your harmonica, without first having to learn advanced techniques such as bending. The basic techniques covered are single hole embouchure, tongue block embouchure and octaves. You'll be able to achieve that bluesy feel, without bending notes, by learning how to play in 3rd position. You'll also learn single note patterns and rhythms that will help you develop your motor skills and tone. This book is packed with song examples that sound great, even at this beginning stage. The online audio download that accompanies the book contains eight jam tracks for you to play along with. These jam tracks use harmonica-friendly keys and a wide variety of tempos and grooves to fit whatever mood you're in. The instruction portion of this book/audio set teaches phrasing within the 12 bar structure. Includes access to online audio
