Social work educators and degree program administrators face difficult issues concerning law, student rights, and social justice in their role as gatekeepers of the social work profession. How, and why, should baccalaureate social work programs afford or restrict access to the profession? When do gatekeeping strategies mask educators' reluctance to tackle some of the more thorny issues that have plagued higher education in general, for example, academe's often limited success in addressing a variety of student special needs? Balancing the interests of a diverse student population, a baccalaureate program, and the profession--to say nothing of the clients--challenges gatekeepers' creativity to the utmost. This all-in-one resource, written by social work educators with special interests and expertise in gatekeeping, provides the knowledge and tools that faculty and administrators need to carry out their duties conscientiously and appropriately. Gatekeeping in BSW Programs covers the history of gatekeeping and its major issues, legal matters in the field, and strategies and processes of gatekeeping; it also includes useful appendixes of materials and tools, such as sample questions for student admissions and various sample academic

The Choreography of Antony Tudor: Focus on Four Ballets presents both an analytical overview of the ballets created for the stage by Antony Tudor and an in-depth critical analysis of four key works: Jardin aux Lilas (1936), Dark Elegies (1937), Pillar of Fire (1942), and The Leaves Are Fading (1975). Tudor was a British choreographer who spent a large part of his working life in the United States, and although he was not prolific in his output, his works include several masterpieces of twentieth-century ballet repertoire. Characteristic of his work is an exceptionally creative and sensitive relationship of choreography with music, a relationship different from that developed by his equally musical contemporary, George Balanchine, in that it privileges subtle layers of dramatic, often psychological, exposition as well as complex mythic structures. Tudor's ballets invariably involve a psychological human dimension, even when there is no story as such, and it is these two strands - the musical and the dramatic - that the choreographer exploits with consummate skill in the best of his work.

* Serves as a guide to using ritual acts in peacebuilding efforts * Abundant with examples of symbolic acts that aided the peace process Conflict is dramatic. In theater, literature, story telling, and news reporting, it is a powerful mechanism that draws attention, heightens the senses and evokes emotion. Schirch argues that peacebuilding has the potential to do just the same. Examples of peacebuilding often center on the serious, rational negotiations and formal problem-solving efforts in conflict situations. Schirch argues, though, that what truly

bonds adversaries and helps achieve peace are the symbolic, non-verbal ritual acts--shaking hands, sharing a meal, showing a photograph of a loved one. Yet these are often overlooked as deliberate components of peace negotiations. Ritual and Symbol in Peacebuilding underscores the importance of incorporating symbolic tools, including ritual, into traditional approaches to conflict. Ritual assists in solving complex, deep-rooted conflicts, and helps to confirm and transform worldviews, identities, and relationships. With theories and language to explain the symbolic dimensions of conflict, this text will be useful to scholars and practitioners active in the diverse field of peacebuilding.

How is “ rhythm ” experienced? What role does “ rhythm ” play in musicians ’ search for a collective musical identity? These questions are answered in this book on the fascinating blend of musical styles and influences within contemporary Malagasy music. Madagascar is the fourth largest island in the world, “ the footprint between Africa and Asia, ” with a history marked by many waves of migration. Over the centuries, a wide range of styles of music, of instruments and of dance have become a part of the island ’ s musical palette. Despite this and the resulting diversity of regional musical particularities, musicians claim there is one element they all share: a common rhythmical base. To explore this claim and the meaning of “ rhythm ” in the Malagasy context, Jenny Fuhr makes use of her dual role as musician and researcher. Self-reflexive field research combined with learning to play and perform Malagasy music enables a profound intercultural dialogue. This book shows how her intense involvement in music-making and a constant dialogue between musical experiences and discourses opens up new paths of understanding. In doing so, it challenges

prevalent Western analytical perspectives on music and demonstrates the need for a more performance-based approach to ethnomusicology.

Seventeen-year-old Sikander, dreams of studying and living in America, but in a blind rage after a family quarrel, he leaves his Peshawar, Pakistan home. Encountering mujahideen warriors, he joins them in their fight against the occupying Soviets in neighboring Afghanistan. American assistance is stepped up with advanced weapons, like the Stinger missile, and the mujahideen begin prevailing against the Soviets. After just two years following Sikander's arrival, a Soviet withdrawal begins and Sikander returns as a war-wise hero, settling down to build a normal life in Pakistan. Discovering romance, Sikander, becomes a happily married successful entrepreneur in Pakistan, when he finds his life abruptly thrown into turmoil as he's caught up in aftermath of 9/11. He must draw on the lessons from his mujahideen past as he takes on a perilous journey reaching as far as America, changing his life forever. --publisher.

This is the best translation into English of Andromache, Iphigenia, Phaedra and Athaliah.

This third and final volume written in honour of Bernard Corry and Maurice Peston focuses on the application of economics to policy advice. It considers practical policy issues, including labour market policy and the problems of unemployment, methodology and econometric analysis, among others.

The popular series of handy regional guides provides in-depth surveys and recommendations for a wide range of eateries throughout a city or region, with tips on selecting a restaurant by culinary category, popularity, neighborhood, price range, or other useful criteria, as well suggestions for nightlife, shopping, accommodations, and other entertainment options.

Essalin "Essa" Brant attends a small college in a tiny town and hasn't ever traveled outside of Pennsylvania. Her life is pretty boring and nothing exciting ever happens. But that is all about to change. Farren Shaw is older and intimidating but more sure of himself than any man has a right to be. He also happens to be the brother of Haven, Essa's best friend. When Haven suddenly goes missing, Farren is the only one who believes Essa when she says that Haven was abducted. The real adventure begins when they set out to find Haven.
