the new testament a very short introduction locates the new testament in its historical and literary context and explains why the religious experiences of the first christians forced them to reinterpret their

This lively, engaging introduction to the New Testament is critical yet faith-friendly, lavishly illustrated, and accompanied by a variety of pedagogical aids, including sidebars, maps, tables, charts, diagrams, and suggestions for further reading. The full-color interior features art from around the world that illustrates the New Testament's impact on history and culture. The first edition has been well received (over 60,000 copies sold). This new edition has been thoroughly revised in response to professor feedback and features an updated interior design. It offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds, features dozens of new works of fine art from around the world, and provides extensive new online material for students and professors available through Baker Academic's Textbook eSources.

Explores the literature of the New Testament of the Bible, highlighting the many messages contained within the text and outlining issues that can be discussed by heralding these messages. Also provides background of the time period and locations in which the New Testament was written.

Abridgement of An Introduction to the Old Testament. This abridged edition of an established major textbook brings the best of New Testament scholarship to the church and makes it accessible to the average reader. This book focuses on historical questions dealing with authorship, date, sources, purpose, and destination of the New Testament books. By focusing on the essentials, the authors ensure that each book is accurately understood within its historical settings. For each New Testament document, the authors also provide a summary of that book `s content and discuss the book `s theological contribution to the overall canon. This abridgement includes questions at the end of each chapter to facilitate group discussion and personal review. It will help a new generation of students and church leaders better grasp the message of the New Testament

Finally: an introduction that captures the excitement of the early Christians, helping today's readers to think like a first-century believer while reading the text responsibly for today. The New Testament in Its World is your passageway from the twenty-first century to the era of Jesus and the first Christians. A highly-readable, one-volume introduction placing the entire New Testament and early Christianity in its original context, it is the only such work by distinguished scholar and author N. T. (Tom) Wright. An ideal guide for students, The New Testament in Its World addresses the many difficult questions faced by those studying early Christianity. Both large and small, these questions include: What is the purpose of the New Testament? What was the first-century understanding of the kingdom? What is the real meaning of the resurrection in its original context? What really were the Gospels? Who was Paul and why are his letters so controversial? As twenty-first-century people, how do we recover the excitement of what it was like to live as Christians in the first or second centuries? In short, The New Testament in Its World brings together decades of ground-breaking research, writing, and teaching into one volume that will open readers' eyes to the larger world of the New Testament. It presents the New Testament books as historical, literary, and social phenomena located in the world of Second Temple Judaism, amidst Greco-Roman politics and culture, and within early Christianity. `Written for both classroom and personal use, the benefits of The New Testament in Its World include: A distillation of the life work of N. T. Wright on the New Testament with input from Michael Bird Historical context that situates Jesus and the early church within the history, culture, and religion of Second Temple Judaism and the Greco-Roman world Major sections on the historical Jesus, the resurrection of Jesus, and Paul's chronology and theology Surveys of each New Testament book that discuss their significance, critical topics like authorship and date, and that provide commentary on contents along with implications for the Christian life Up-to-date discussions of textual criticism and the canonization of the New Testament A concluding chapter dedicated to living the story of the New Testament Available Video and Workbook companion resources to enhance learning and experience the world of the New Testament Illustrated with visually rich pictures, maps, charts, diagrams, and artwork; plentiful sidebars provide additional explanations and insights

In the comprehensive The New Testament: Its Background and Message, the late Thomas Lea presented a clear and concise introduction to the New Testament giving readers the key that unlocks the door to understanding these important texts. This influential work presents the background of the New Testament with broad strokes and with a focus on specific books including the Gospels, Acts, and Paul and his letters. Originally written in an easy-to-understand style and form, Lea `s text continues to unlock the message of the New Testament for both new students and seasoned scholars.

Many introductions to the New Testament are either too simple, not providing all the necessary information, or overly complicated and written at a level out of the reach of an average person with no seminary training. This work is neither. The author is thorough, providing over 200 footnotes for further study and additional archaeological and historical information, but at a level that is understandable, and in a concise manner. In this work the author also addresses deeper subjects, such as the "synoptic problem," the Northern and Southern Galatia theories, Justification in the book of James, as well as the historical background to the cities of Corinth, Ephesus, Philippi, Colossae, and Thessalonika. The various interpretive approaches to some of the more controversial books are also discussed (1 John, Hebrews, James, and Revelation). Every chapter ends with a carefully constructed outline to that particular book of the New Testament just introduced. In the appendix, the author provides links to, and descriptions of, several free online Bible study resources that are invaluable to the student of the Word.

This second edition of An Introduction to the Old Testament integrates and interacts with recent developments in Old Testament scholarship. Several distinctive set it apart from other introductions to the Old Testament: • It is thoroughly evangelical in its perspective • It emphasizes " special introduction " —the study of individual books • It interacts in an irenic spirit with the historical-critical method • It features points of research history and representative scholars rather than an exhaustive treatment of past scholarship • It deals with the meaning of each book, not in isolation but in a canonical context • It probes the meaning of each book in the setting of its culture Including callouts, charts, and graphs, this text is written with an eye on understanding the nature of Old Testament historiography. This upper-level introduction to the Old Testament offers students a solid understanding of three key issues: historical background, literary analysis, and theological message.

This book is a major English-language introduction to the earliest manuscripts of the New Testament. An essential handbook for scholars and students, it provides a thorough grounding in the study and editing of the New Testament text combined with an emphasis on the dramatic current developments in the field. Covering ancient sources in Greek, Syriac, Latin and Coptic, it: • Describes the manuscripts and other ancient textual evidence, and the tools needed to study them • Deals with textual criticism and textual editing, describing modern approaches and techniques, with guidance on the use of editions • Introduces the witnesses and textual study of each of the main sections of the New Testament, discussing typical variants and their significance. A companion website with full-colour images provides generous amounts of illustrative material, bringing the subject alive for the reader.

Discovering the New Testament is a new and comprehensive introduction to the New Testament in three volumes, reflecting current research and scholarship in New Testament studies. Each volume provides a thorough discussion of background issues as well as treating theological themes and practical application. The second volume is devoted to the life and writings of the apostle Paul. It traces Paul's early life, conversion, and missionary journeys, overviews the contours of his theology, and surveys the authorship, form, and content of his letters. Ideal for college or seminary students, the volumes provide numerous maps and charts, as well as discussion questions for each chapter and a focus on real-life relevance and application.
