This is a World history survey from human existence to present day.

This book not only teaches you about the history, culture, and government of our nation, but also gives you a framework to help you master almost any examination question about U.S. history and government. This is an interactive textbook. (It) challenges you to think about an apply what you have read, every step of the way. You must express your opinions, review your understanding of the material, give your reactions, and analyze important events and issues. -p. iv.

With this book as your guide, you should find [global history] examinations less difficult and maybe even fun to take ... The focus of [this book] is on teaching you how to answer every type of question ... The first part of the book provides test-taking strategies to help make you "test-wise." ... The second part of the book provides eight content reviews that summarize the main developments of global history. There is also an opening chapter that provides some special tools you will need for understanding global history, and a closing chapter on current global concerns. [Finally], the book provides you with an opportunity to demonstrate your mastery of global history and to identify any remaining weaknesses for your final review ... Reading this book and completing all its exercises and tests will prepare you well for global history tests.-How to use this book.

Enhances the world history curriculum through analysis of primary and secondary sources. Features 23 new and revised document-based questions covering significant eras. Teacher support includes scoring rubric and tips for implementation.

Big, bright illustrations make finding information fun and easy for your geographers. Schoolhouse's Beginner Geography & Map Activities workbook is the perfect tool for introducing kids to geography and basic map and globe skills through hands-on activities.
