The Qabalah Workbook for Magicians is the perfect guide for the practicing magician who wants a greater understanding of Qabalah concepts and practice. Created by Anita Kraft, one of the world's most respected Qabalist teachers, this workbook teaches readers how to practice Qabalah using tarot, plants, stones, perfumes, the zodiac, and other magical sources. Kraft show how to work through the Sephiroth- the ten attributes or emanations of Qabalah-for greater understanding and illumination. Drawing on occult works, including those of Israel Regardie, Aleister Crowley, Dion Fortune, and Lon Milo DuQuette, as well as dozens of Herbrew texts and manuscripts, the practicing magician can understand the Tree of Life and other

Qabalistic concepts. Kraft has spent more than twenty years creating and perfecting a method by which "Qabalah is experiential as is mysticism and magick. If all you do is read, you are not a mystic, magician, or Qabalist. You must do!" writes Kraft.

Based on an innovative blend of Kabbalah and magic, a step-by-step program toward spiritual attainment guides readers through each level of the the Golden Dawn system of ritual magic and its corresponding sphere in the Kabbalah Tree of Life. Original. 10,000 first printing.

Kabbalah is an ancient Jewish wisdom that explains the laws of spiritual energy. Up until very recently the Kabbalah was reserved for the elite, those who only after years of scholarship and practice were allowed to enter this mystical realm. However, one doesn't need to devote one's life to intense study to reap the rich rewards of the Kabbalah. With just a basic understanding of a few key concepts, our lives can be enriched immensely. We can then begin to fulfill our deepest dreams and reach our most important goals, becoming the people we long to become. By learning to understand the Sefirot--the ten spiritual properties that flow from the cosmic source into our heart--we can connect to the universe and profoundly transform our experience of daily life. For example, Hessed, or "loving-kindness,"

represents the desire to be generous, while Gevurah is the desire to focus intently or withhold. These properties must be balanced in order for harmony and well-being to occur. Rabbi Laibl Wolf shows how to maintain that balance and enjoy a healthy and productive life by using simple meditation and creative visualization techniques to grasp the spiritual nature of our life. Practical Kabbalah draws upon ancient wisdom but offers a modern interpretation and easy-to-understand techniques for delving deeper into our selves and our world and for reaping the bounteous gifts that were always meant for us.

A unique and humorous -- and also practical -- approach to the increasingly popular study of Qabalah. This is a seriously funny book! Traditional Qabalistic (or Cabalistic, or, indeed, Kabbalistic -- read this book to find out what the difference is...we know you've always wondered) sources tend to be a bit, er, dry. DuQuette spices up the Qabalah and makes it come alive, restoring the joy of learning the fundamentals of this admittedly arcane system by using simple, amusing anecdotes and metaphors. This account, written psuedepigraphically (fictitiously attributed to a supposed authority), allows DuQuette as Rabbi Lamed Ben Clifford to soar to outrageous heights and, when

Read Online Kabbalah Workbook Study Guide

necessary, stand apart from the silliness to highlight the golden eggs of Qabalistic wisdom nested therein. Sure to be a revelation to those who think that learning about the Qabalah needs to be tedious and serious, Duquette shows that great truths can be transmitted through the medium of laughter.

The "Shadow Tree Series" comprises a unique collection of Western Esoteric studies and practices which Jacobus G. Swart, spiritual successor to William G. Gray, has actuated and taught over a period of forty years. "The Book of Self Creation" is a study guide for all who seek God within and who prefer to steer the courses of their lives in a personal manner. The doctrines and techniques addressed in this book will aid practitioners in the expansion of personal consciousness and spiritual evolution. Combining the principles and teachings of Kabbalah and Ceremonial Magic, the book offers step by step instructions on the conscious creation of physical life circumstances, such being always in harmony with the mind-set of the practitioner. "The Book of Self Creation is a rich and resourceful workbook of practical kabbalah from the hands of a master kabbalist who is both compassionate and insightful." - Caitlín Matthews

Read Online Kabbalah Workbook Study Guide

THE SPIRIT: Books One, Two and Three. In this three-book series you will enter into the Great Oracle where you will encounter the Mysteries of Time, Space, Birth, Love, Death and Resurrection. You will meet your Mystic Teachers, master the energies of Fire, Water, Wind and Earth, and learn to wield the Ten Powers of the Tree of Life. Ultimately, you will pass through the Twenty-One Key Initiations.

KABBALAH AND TAROT OF THE SPIRIT is the complementary and supplementary companion to The Lightning Papers: Ten Powers of Evolution, also by Pamela Eakins, as well as the Tarot of the Spirit book and deck by Pamela and Joyce Eakins. Tarot of the Spirit has been highly acclaimed and recommended by Angeles Arrien, Rachel Pollack, James Wanless, Mary Greer, Brian Thomas Swimme, Gareth Knight, Arisa Victor, U.S. Games Systems, Inc., and Samuel Weiser, Inc. * Book One, The Minor Arcana and Daath, is a comprehensive guide to the Minor Mystery cards: 1-10 of Fire, Water, Wind and Earth. The ten cards in each element/suit correspond to the Ten Spheres of the Tree of Life. The four elements correspond to the Four Worlds of the Kabbalah. One additional card, the Mystery Card, represents the secret Sphere Eleven of the Tree of Life, "Daath," the doorway into other dimensions. Book One also elucidates the foundations of Pacific Mystery School, the architecture of the Kabalistic Tree of Life as a paradigm for New Consciousness, and the fundamentals of Tarot reading with Tarot of the

Read Online Kabbalah Workbook Study Guide

Spirit.* Book Two, *The Tarot Family*, describes the sixteen Family Cards, also known as "court cards" and "face cards." These cards, too, are part of the Minor Arcana or Minor Mysteries. Each of these "cosmic beings" represents a specific complex of personified Kabbalistic and elemental energies. The Cosmic Family - Father, Mother, Brother and Sister - are mystical Guides and Guardians as well as aspects of the individual and collective psyche. Each oversees and enhances specific Minor Arcana cards as well as specific seasons and days of the year. * Book Three, *The Major Arcana*, expounds upon the twenty-two Key or Initiation cards, each of which represents one of the interconnecting branches of the Tree of Life. As we pass through these Initiations, we are forever transformed. All three books of KABBALAH AND TAROT OF THE SPIRIT are also available in one volume: KABBALAH AND TAROT OF THE SPIRIT: THE BLACK & WHITE EDITION. Learn more about Pacific Mystery School, Tarot of the Spirit and Pamela Eakins at www.pacificmysteryschool.com.

The Kabbalist Rabbi Laitman, who was the student and personal assistant to Rabbi Baruch Ashlag from 1979-1991, follows in the footsteps of his rabbi in passing on the wisdom of Kabbalah to the world. This book is based on sources that were passed down by Rabbi Baruch's father, Rabbi Yehuda Ashlag (Baal HaSulam), the author of

Read Online Kabbalah Workbook Study Guide

'the Sulam', the commentaries on The Book of Zohar, who continued the ways of the Ari and Rabbi Shimon Bar Yochai and many great Kabbalists throughout the generations before them. The goal of this book is to assist individuals in confronting the first stages of the spiritual realm. This unique method of study, which encourages sharing this wisdom with others, not only helps overcome the trials and tribulations of everyday life, but initiates a process in which individuals extend themselves beyond the standard limitations of today's world.

GOLIATH'S HEAD tells of a search for courage and hope amidst crushing oppression. Avi Schneider is a Jewish boy growing up in Russia on the eve of early-twentieth-century revolution. He is nine years old when he meets his own personal devil, Viktor Askinov, a brutal youngster who relishes tormenting Jews. In the following years, Avi is the object of his tormentor's obsession. Fourteen years later in 1905 the Tsar instigates riots - pogroms - against the poor, teeming Jewish villages. Now a husband and father, Avi takes to the barricades to defend his village from the mob coming to kill the men, rape the women, and burn down his village. Armed, he again faces Viktor Askinov, who is leading the mob. But he has been warned that if he kills Viktor Askinov, he puts his beautiful young wife Sara and

newborn son Itzhak in deadly peril. Avi must decide this night what he stands for. Is it survival at any cost, for himself and those he loves? Or is it righteous vengeance for his people?

Although Kabbalah has made a dramatic entrance into pop culture over the past decade, authentic Kabbalah is an ancient discipline dating back over 3,300 years. This deeply esoteric, mystical branch of Judaism has been handed down by word of mouth throughout the generations and came to written form in the second century by Rabbi Shimon bar Yochai. Kabbalah's purpose is to give profound inner meaning to written Scripture and attempt to describe the transcendent nature of a formless, infinite God as He relates to His finite creations. You might ask, "What's a nice, serious subject like Kabbalah doing in a book like this?" The answer lies in Kabbalah itself. Laughter is an involuntary reflex that transcends reason and lifts us above our physical state, allowing for an unselfconscious connection with something beyond the self - God, for example. A joyful person is open, available and willing to entertain concepts that don't necessarily fit a logical paradigm. So jokes can become vehicles through which we can contemplate the divine. If this sounds intriguing, have I got a joke book for you!
