"...the most useful, practical book I have seen on the management of turfgrass insect pests...mandatory reading for turfgrass managers in golf, lawns, and sports..." --Dr. James B. Beard, International Sports Turf Institute, Inc. Written in clear, everyday language, Destructive Turfgrass Insects covers the biology, diagnosis, and control of virtually all the insects and mites that attack warm- and cool-season turfgrasses. No other source gives you as many practical and comprehensive management guidelines for use on golf courses, lawns, and sports fields.
