How to Fix the Most Common Problems With LCD Monitors. Computer monitors are fairly simple, in use if not in actual construction: plug 'em in, turn 'em on, look at your computer stuff on the brighter part. But misleadingly easy as they might seem, there 's a lot of stuff going on inside that blank plastic case...and a lot of stuff that can go wrong. Unfortunately, most of that stuff requires either a certified repair or a complete replacement to fix.

snob; and learning about “barley matters” —the newest, hottest beers. How to Speak Geek: Demystifying tech trends, with smart advice on not only what high-tech gadgets to buy but how to shop for them. Everything You Need to Know About Buying, Selling and Financing a Car: How to get the best and safest vehicle at the best price. Real Estate: Will the bubble burst? Here’s how to be an informed buyer and seller along with the basics of remodeling and designing your home. How to Be an Informed Patient: Choosing a hospital, playing private investigator with your M.D., and learning about the tests you really ought to have (even if you have to pay for them yourself). Getting Real Bang for Your Education Bucks: What you need to know from preschool through college and graduate school. The Great Balancing Act: Managing work and family, and finding out how to avoid the overstretched child and parent syndromes. Financing Your Life: It was easy in the 1990s, but the world has changed dramatically. Here’s how to deal with the new world of saving, investing and borrowing money. Shopping: The New Sex? Throw away your Kama Sutra. The number one thrill in shopping is getting a good deal—here’s how to play the game and get the best stuff at the best price. The Wall Street Journal Guide to the Business of Life is both an instruction manual for living life to the fullest and a fun read about what really matters in the day-to-day. It has all the basic insight and information you need to navigate through life along with hilarious side trips such as “The Three-Decorator Experience” and “Cruises: Sailing New Waters.”
