"Philip Gulley invites us into a bracing encounter with the rich truths of Quakerism-- a centuries-old spiritual tradition that provides not only a foundation of faith but also vision for making the world more just, loving, and peacable by or presence. In Living the Quaker Way, Gulley shows how Quaker values provide real solutions to many of our most pressing contemporary challenges. We not only come to a deeper appreciation of simplicity, peace, integrity, community, and equality, we see how embracing these virtues will radically transform us and our world."--P.[4] of cover.

Les Marees Terrestres

If you are a robot enthusiast who wants to quickly get the most out of Lego Mindstorms EV3, this is the book for you. Prior programming experience is useful to get the most out of this book, but not necessary.

Lavender farmer Luc Bonet is raised by a wealthy Jewish family in the foothills of the French Alps. When the Second World War breaks out he joins the French Resistance, leaving behind his family's fortune, their home overrun by soldiers, their lavender fields in disarray. Lisette Forestier is on a mission of her own- to work her way into the heart of a senior German officer - and to bring down the Reich in any way she can. What Luc and Lisette hadn't counted on was meeting each other. When they come together at the height of the Paris occupation, German traitors are plotting to change the course of history. But who, if anyone, can be trusted? As Luc and Lisette's emotions threaten to betray them, their love may prove the greatest risk of all. By the bestselling author of *The French Promise* 'An enthralling, evocative read.' *Woman's Day* 'McIntosh writes a cracking tale that plunges you right into the heart of occupied Paris, the London Blitz and the rugged beauty of the South of France . . . it's hard not to keep turning the pages.' *Indaily*

In accordance with his father's will, Edmund has until he turns twenty-six to find a wealthy bride or lose his vast inheritance. To retain his selfish lifestyle, he agrees to join an American dating game show to find the woman who can save him. He doesn't bargain on meeting Abby Forester, an impoverished, spirited American woman who is content to live out her father's dreams in his vintage record shop. With covert intervention from an unlikely source, Abby lands on the dating game show as one of Edmund's potential brides. As their worlds entangle and love begins to bloom, Abby discovers Edmund cannot marry her and retain his wealth at the same time. Will love keep them together, or will greed triumph and tear them apart? Note: *Lord Bachelor* was originally published in 2015. Content and story remain exactly the same. Only the cover and publisher have changed.

Indulge in your favorite hue (or two!) with fabric designer Jessica Levitt. Bright and bold quilt blocks pair same-color prints with strong solids for depth and lots of personality. Stitch random-width strips to a muslin base for a planned approach to improv. Giant-size blocks join together like a fun puzzle, forming a graphic secondary pattern when you piece the quilt top!

Minister more effectively to people of different cultural and social backgrounds with this incarnational model of cross-cultural ministry.

Emmy Award-winning actress Kirstie Alley's candid and audacious memoir about her life and the men she has shared it with—for better and for worse. John Travolta. Parker Stevenson. Ted Danson. Maksim Chmerkovskiy. Kelsey Grammer. Patrick Swayze. Woody Allen. Woody Harrelson. And many others. . . . In three decades in Hollywood, Kirstie Alley has lived with, worked with, loved, or lost all of these men, and in this revealing memoir, she peels back the layers (and sometimes the sheets) on her relationships with all of them. From the early days of her childhood in Wichita, Kansas, surrounded by her loving father, her inquisitive and doting grandfather, and a younger brother she fiercely protected when she wasn't selling tickets to see him naked, Kirstie Alley's life has been shaped and molded by men. "Men, men, glorious men!" gave her her first big break in Hollywood and her awardwinning role on *Cheers*, and through two marriages, a debilitating cocaine addiction, the death of her mother, roles in some of the biggest comedies of the last twenty years, and a surprising stint on *Dancing with the Stars*, men proved to be the inspiration for multitudes of the decisions and dramas in Kirstie Alley's life. In this collection of linked essays that's both hilarious and poignant in turns, Kirstie chronicles all the good, the bad, and the ugly men who have influenced and guided her. She demonstrates how men can be the air that women breathe or the source of all of their frustrations. But for better or worse, Kirstie shows that a life well lived is a life lived in the company of men, especially if they remember to put the lid down. *The Art of Men (I Prefer Mine al Dente)* is a hilarious excursion into love, joy, motherhood, loss, sex, and self-discovery from one of Hollywood's most enduring stars.

Nine hundred years after a twelfth-century Sicilian cat burglar steals artifacts that possess the secret to eternal life and scatters them throughout the world, a young Connecticut reporter finds evidence that someone is collecting the artifacts again, a story that is complicated by the murder investigation of a local professor. A first novel. Reader's Guide available. Reprint.
