There are times in our lives when we need to reorganize our priorities to rediscover the fundamentals of happiness. Often, we don't understand what causes our sadness or lack of enthusiasm.

The indispensable handbook for Democrats Voters cast their ballots for what they believe is right, for the things that make moral sense. Yet Democrats have too often failed to use language linking their moral values with their policies. The Little Blue Book demonstrates how to make that connection clearly and forcefully, with hands-on advice for discussing the most pressing issues of our time: the economy, health care, women's issues, energy and environmental policy, education, food policy, and more. Dissecting the ways that extreme conservative positions have permeated political discourse, Lakoff and Wehling show how to fight back on moral grounds and in concrete terms. Revelatory, passionate, and deeply practical, The Little Blue Book will forever alter the way Democrats and progressives think and talk about politics.

Have you ever felt you were ready for your next career step, but are not sure where to start? Then this book is for you! After mentoring hundreds of professionals, and through her own vast cross-industry experience in the Corporate World, Neysha encourages everyone to follow their purpose, stay curious, and steer away from complacency. In this guide full of real-life examples she walks her readers through a step by step guide to determining your career aspirations, creating a plan of action, and surrounding yourself with a strong support system. A must read for those wanting to jump-start their career growth.

A little blue spot and a little yellow spot are best friends, and when they hug each other they become green.

From the early explorers to space travelers and holiday jetsetters, those in transit have acknowledged both the benefits and downsides of life on the go. The Little Blue Book of Travel Wisdom is a collection of these musings on travel, be it for research purposes, business, or vacation, via a plane, a bus, or a train. Just some of the figures cited in the book include: • Robert Frost • Mark Twain • Maya Angelou • Pat Conroy • Rick Steves • Ivanka Trump • John Steinbeck • Angelina Jolie • Oscar Wilde • Michael Crichton • Jerry Seinfeld • Clay Aiken • And so many more!

"Neigh!" said a horse. "Quack!" said a duck. "Beep!" said the friendly Little Blue Truck. Little Blue Truck is a joyful cacophony of animal and truck sounds that will have youngsters beeping and quacking—and begging for one more go-round! Along the way, readers see that it pays to be kind to our animal friends . . . if we show a friendly respect to others, we're more likely to get help when we're, say, stuck in the muck in a truck. Jill McElmurry's gouache illustrations of wild-eyed farm animals and country roads are warm and wonderful, suiting the cheerfully rhyming text to a T. Beep!

The Little Blue Reasoning Book helps readers build essential critical thinking, creative thinking, and decision-making skills and is suitable for the everyday student, test-prep candidate, or working professional in need of a refresher course. Interwoven within the book's five chapters -Perception & Mindset, Decision Making, Creative Thinking, Analyzing Arguments, and Mastering Logic - are 50 reasoning tips that summarize the common themes behind classic reasoning problems and situations. Appendixes contain summaries of fallacious reasoning, analogies, trade-offs, and a review of critical reading.

New York Times bestselling author Maureen Johnson’s funny, heartbreaking, and utterly romantic tale gets a great new cover! Ginny Blackstone never thought she’d spend her summer vacation backpacking across Europe. But that was before she received the first little blue envelope from Aunt Peg. This letter was different from Peg’s usual letters for two reasons: 1. Peg had been dead for three months. 2. The letter included \$1000 cash for a passport and a plane ticket. Armed with instructions for how to retrieve twelve other letters Peg wrote—twelve letters that tell Ginny where she needs to go and what she needs to do when she gets there—Ginny quickly finds herself swept away in her first real adventure. Traveling from London to Edinburgh to Amsterdam and beyond, Ginny begins to uncover stories from her aunt’s past and discover who Peg really was. But the most surprising thing Ginny learns isn’t about Peg . . . it’s about herself. Everything about Ginny will change this summer, and it’s all because of the 13 little blue envelopes. Look for the sequel, The Last Little Blue Envelope!

The can-do heroine from the acclaimed The Little Red Fort returns in this fresh, feminist spin on The Three Billy Goats Gruff. "Readers will happily discover that trip-trapping to friendship and cooperation is indeed a pie-worthy prize." -- Kirkus Reviews Ruby's mind is always full of ideas. One day, she spies some blueberries across the creek and invites her brothers to pick some. Unfortunately, the bridge is blocked by scary Santiago. "I'm the boss, and you can't cross... unless you give me a snack," he demands. One by one, the brothers scamper across, promising Santiago that the next sibling has a better snack. When at last it's Ruby's turn, she refuses to be bullied and creates her own way to cross the creek. This modern spin on a classic tale weaves folklore, feminism, STEM, and a Latinx cast into a delightful read-aloud that celebrates creativity and building bridges of friendship and community.

The Little Blue Book of Grieving was written to help you navigate the grieving journey. When death enters our lives, it usually sucker-punches us like nothing else ever will in our life. The book is made up of stories that range from the ridiculous to the sublime. You will hopefully laugh, cry, mourn, and begin to heal while reading The Little Blue Book of Grieving. Each story is punctuated with an appropriate Bible verse to connect you to God's word while on your path to healing from your grief. I pray for each reader that by the end of the book, you will finally think of your lost loved one with a little less pain in your heart. After all, if I had to guess, I would say your loved one would much rather see you with a smile on your face than a face full of tears. Think about it, and God bless you.

Branch Rickey's own words from his personal papers are skillfully compiled to form a book of witticisms and observations that abounds with common sense and insight, stands today a work of inspiration.
